My dear Will,

This will be presented to you, as I hope, by
Lt.-Col (Dr.) Nasmith, with the Canadian contingent at Salisbury
Camp. Dr Nasmith is a particular friend of mine and I think you
may have some interests in common. Your familiarity with enteric
and your general experience in sanitation are just the sort of ~~W~~
things he is busy with all the time, and more than ever just now.
This, of course, is only the professional side, about which I am
supposed to know nothing. I can testify in my own sphere that he ~~is~~
is a first-class good fellow.

Affectionately ever,

Albert
